About SMG Indium Resources Ltd.

SMG Indium Resources Ltd. purchases and stockpiles the metal indium and believes it maintains the largest strategic stockpile of indium outside of the People's Republic of China. Our strategy is to achieve long-term appreciation in the value of our indium stockpile, and not to actively speculate with regard to short-term fluctuations in indium prices. Our indium is insured and physically stored at a Brink's Global USA facility located in the United States. Our shareholders have the ability to effectively purchase an interest in indium in a manner that does not directly include the risks associated with ownership of companies that explore for, mine or process indium.
